**SGCC:** The Sioux Golf & Country Club Board presented the Council with information on their budget and its funding shortfall. This should get SGCC through the fiscal year.

**OTHER BUSINESS:**

Oltmans reported to the Council that the City of Orange City is investigating a new joint border station with the City of Alton. This has been discussed in the past due to aging facilities, eliminating high pressure mains, expanding service to Ag Partners for future additional grain drying, and creating one station for improved service, additional capacity and reduced cost of operation. Consensus was to work with the City of Orange City on cost and benefit analysis.

Motion by Kleinhesselink and second by Zenor to adjourn the meeting at 6:25 PM. Ayes 4
