To help a neighbor

"PS" is Project Share – a program that assists needy households in paying their winter energy bills. You can help by adding a **Project Share** contribution to your utility payment, or by making a direct donation. A local social service agency carefully identifies those residents who qualify, and a local committee oversees Project Share to guarantee that all contributions are handled equitably and efficiently.

It's a simple way to share some warmth with those who need it.

Yes, I'd like to help a neighbor with a tax-deductible contribution to Project Share.

PROJECT SHARE

Project Share is a plan, created by your municipal utility, to assist needy households in paying their wintertime energy bills.

You can help by adding a **PS** contribution to your monthly utility payment, or by making a direct donation to **Project Share**. These funds will then be distributed to neighbors in need for wintertime energy costs.

Those qualifying for help will be carefully identified by an area social service agency. A local committee will oversee **Project Share** to guarantee all contributions will be handled equitably and efficiently.

So please, add a **PS – Project Share** – to your utility payment each month. It's a simple way to share some warmth with those who need it.
