Council member Vande Griend left meeting due to conflict of interest.

**Kennedy Ave:** Les Cleveringa presented the Council with a cost estimate to hard surface Kennedy Ave from Highway 10 to the northern end of Prairies Edge Development.

Cleveringa proposed the City pay for 50% of the third party participation required for consideration by the County.

Oltmans presented the Council with information on previous Council actions and the annexation process. There was nothing documented in regards to the City paving the road.

Oltmans informed the Council that the curb and gutter would have to be waived if road was hard surfaced and the funding source would have to be a bond.

Zenor commented that currently the City does not have enough funds to fix the current streets let alone hard surface a new street.

Schutt mentioned that normally the developer reaps the financial benefits of a new development because they usually take on the cost of the infrastructure and paving roads.

Bengard pointed out that any action would set a precedence for future developments and projects.

Kleinhesselink stated in 2004 when the development was platted, the Council informed Cleveringa that the City would not be responsible for paving Kennedy Ave. Mayor Minten and Oltmans were Council members at the time and concur with Kleinhesselink's remarks.

The consensus of the Council was to take no action.

**Speed Limit:** Cleveringa requested that the current speed limit on Kennedy Ave be lowered to 35 mph. Per the County Engineer a request must be made by the City. Mayor Minten will speak with the Sheriff and the Chief of Police.

Motion by Schutt and second by Zenor to submit a request to the Sioux County Engineer to change the speed limit to 35 mph from the north edge of Prairies Edge Development to Highway 10 based on the County Engineer's recommendation. Ayes 4

Cleveringa left at 6:27.

Vande Griend rejoined Council.

**Sanitation Contract:** Oltmans informed the Council that the NWI Solid Waste Landfill has increased the gate fee due to additional regulatory requirements. Orange City Sanitation has requested a \$.50 increase per household per month to cover the increased gate fee.

It being a regular meeting of the City Council of the City of Alton, Iowa, Councilman Bengard introduces and causes to be read a bill for Ordinance 707 entitled:
