Brian Konz arrived at 6:10 PM.

EQUIPMENT: Konz spoke to the Council regarding the City's current utility trailer. The current trailer is not rated to haul the mini-ex. Konz got quotes from different dealers and discussed the benefits of a HD tandem trailer. Konz also had quotes for a new grapple for the skid loader. Konz indicated the grapple would be a safer way of hauling especially with the cleanup that will be necessary as the emerald ash borer makes it way towards Sioux County.

Discussion was held on immediate need and budgeting for next fiscal year. It was the consensus of the Council to include a new grapple for the skid loader in FY24 budget.

Motion by Mulder and second by Plathe to approve the purchase of a HD tandem trailer from Country Trailers as quoted. Ayes 4

POOL: Konz updated the Council on multiple requests for steps in the pool. Konz found a set of removeable steps to replace one of the ladders in the pool to allow for easier entrance and exit from the pool.

Motion by Vander Pol and second by Jorgensen to approve the purchase of removeable steps for the pool. Ayes 4
